

greatgatherings

Building a stronger community, together.

Request for Donations

The Nova Classical Academy Parent-Teacher Organization (NPTO) will be hosting our annual Kick-Off Party for the “Great Gatherings” Fundraiser on November 3, 2018. This event raises over \$25,000 each year and 100% of the monies raised are spent to benefit the Nova school community. Aside from yearly teacher grants and supporting school community events, the monies are used to purchase school equipment, furniture, Opera for the young, sound mixing equipment, and other items for our school.

For the sixth year in a row, we have added a fun (!!) wine event to the evening called **The Grapes of Math**. **What is The Grapes of Math?** During the Kick-Off party, guests can pay \$11 for each chance to “pull” one of up to 220 numbered corks. Each cork matches one of the donated bottles of wine that will be displayed at the event. The guest can then take that bottle home to enjoy. Last year this event raised over \$2,370! Because of generous contributions, the entire amount was given to the NPTO to use for the benefit of the school.

We are asking for your support in donating one or more bottles to the event. Our goal is to collect 200 bottles of wine, each valued at \$10 or higher. We would love to display the name of your store during the event as a thank you. We hope you will consider donating to our event. All wine donations are tax-deductible. The NPTO Tax exempt number is **26-3827988**.

All wine should be delivered to the Nova Classical Academy by Saturday, November 3rd, 2018. For further information about **The Grapes of Math** or to arrange for pickup of your donation, please contact Jane Lagerquist at jglager@gmail.com or Tammy Krause Cruz at tamarack2003@hotmail.com. To contact the NPTO directly, please send an email to novagreatgatherings@gmail.com.

Please accept our most sincere “THANKS” for any donations!

Tammy Krause Cruz and Jane Lagerquist– 2018 Grapes of Math Co-Chairs
