

grapes of math

a wine pull with purpose

Our goal is to bring in 200+ bottles of wine will raise more than \$2000 for Nova. See the Flashcards on the side with basic details.

Please help in one of these ways (or a combination of)

- ❖ **Donate bottles of wine** (retail value of \$10 or more) We welcome any donations.
- ❖ **Donate \$\$** to apply towards purchasing of wine, we'll do the shopping and you can earn the hours. We need \$\$ donations by October 26.
 - ❖ **By cash or check** to Nova's main office, marked on the memo Line – "Grapes of Math".
 - ❖ **By Credit Card** - <https://novapto.revtrak.net/cash-donations-br-#/v/GOM-Cash-Donation-381>
- ❖ **Consider becoming a Committee member** and promise to bring 20 bottles of wine, or create a group to bring 20 bottles of wine total. Two people collecting 10 bottles each...4 people collecting 5 bottles each...

Delivery of wine- Bring your small quantity of bottles to the Upper School Office, room 206 on October 26 or November 1-2. Due to space limitations, we need the majority of wine to come in the morning of Great Gatherings. Or contact us and we'll pick up.

Pricing Label - Once you have collected your bottles of wine, please put a sticker with the **RETAIL VALUE** on the bottom of bottle., if you can. You can pick up little garage sale price stickers at Walgreen's or Target. There are several websites you can use to find out the value of each bottle of wine (for example: <http://www.wine-searcher.com/>).

Donations - On our website is the [Wine Donation Request Letter](#). The Nova Tax Exempt Number is included, please make sure you give it to anyone that donates wine! (This is certainly an incentive for liquor stores to be generous!! *Two stores last year donated 10 bottles of wine each... so please consider asking your local store. Let us know if you've received a donation - and we'll make sure to let the other team members know so as not to ask the same store again).*

*Please let us know the business name
- so we can have their name on our poster.*

If 20 bottles seem daunting, **Recruit your friends** to join in; see if family members will donate to the cause. Ask your favorite liquor store to contribute. One Bottle = 1 hour of volunteering time + extras. So, by the end of November - you could have all your volunteer hours in for the entire year. Extend invitation to other parents.

Volunteer – We will have a signup genius and invite Committee members to volunteer for setting up the booth at Great Gatherings the late morning/early afternoon of the event. Also we have volunteer slots on the day of the event.

Sponsor list - We also have Nova parent owned businesses that donate. We will list all donators on a sign at the event. If you want your name listed on our sign, please put your name/company's name and we'll add it to our sign.
