Building a stronger community, together.

## 2018 Auction Item Donation Request Letter

Nova PTO  
Great Gatherings Committee  
1455 Victoria Way  
Saint Paul, MN 55102

Dear Friends of Nova Classical Academy,

Nova is a K-12 public charter school located in St. Paul that is ranked as one of the top schools in Minnesota. Nova receives less funding than traditional public schools due to their charter status; So, every year we invite the community to join us in helping to reach our goal!

On **Saturday, November 3, 2018** we will host our annual *Great Gathering Kick Off Party* at Nova. We expect to have over 250 guests this year. The evening is dedicated to raising money for annual teacher grants, support for school community events, school equipment, furniture, Opera for the Young, among other things.

Last year, this event raised over \$35,000 and 100% of the monies raised are spent to benefit the Nova school community.

*We hope that you will consider helping us reach our goal by donating to our silent auction!*

Some previous donations have included salon services, gift cards, a themed 'basket' of items, sports event tickets, orchestra tickets, dinner out, and more.

Please let us know if you are able to contribute to this event, thank you!

Cordially,

*Silent Auction Committee*
